

Sarah Kidder Design Wins HomeStars Best of Award for 5th Consecutive Year

TORONTO, March 10, 2015: Sarah Kidder Design is pleased to announce it has been named one of HomeStars Best of Ottawa 2014. The Ottawa awards took place at the Ottawa Hunt and Golf Club, with local award ceremonies happening in six other markets across Canada.

“To be recognized with a Best of Award five years running is a great accomplishment and we are so proud of this honour,” says Sarah Kidder, owner of Sarah Kidder Design. “We continually strive to improve and hope this is an award we can continue to win in years to come.”

Best of Award winners are selected from a variety of criteria including homeowner reviews and ratings. Winners are determined based on HomeStars’ proprietary Best of Award Reputation Rank algorithm, which uses more than 15 different factors, each uniquely weighted.

“To win one of these awards is really a testament to a company or contractor’s quality of work,” says Nancy Peterson, founder and CEO, of HomeStars. “We like to think of them as our People’s Choice Awards as they wouldn’t be possible without the feedback of homeowners.”
